

Final Exam Schedules

Fall and Winter 2024-2025 Academic Year

The Elmira College community is reminded of the following College policy:

"While Elmira College does not require that a final examination be administered in every course, the College does require that each class meet at the time scheduled for the final examination."

Thus, if there is no plan to administer an exam during finals week, class should meet at the specified time for some other activity. If term papers or "take-home exams" are being used, for instance, the class meeting might be used for exchanging and discussing the papers. All classes are required to meet during the specified time.
