

ELMIRA COLLEGE

September 2, 2021

Are you interested in learning more about the COVID-19 Vaccines? Want to know the latest guidance for staying safe? If so, then join **Dr. Justin Nistico, DO, an infectious disease specialist from Arnot Health for an information session from 5 p.m. - 6 p.m. in the Tripp Lecture Hall.**

This event is open to the Elmira College campus community, including students, faculty, and staff. It is a chance for you to ask questions and get answers from a local health professional with specialized knowledge about COVID-19 and the vaccines.

ABOUT DR. NISTICO, DO

Dr. Nistico is a board-certified Internal Medicine physician and fellowship-trained in Infectious Disease. He received his medical degree from New York College of Osteopathic Medicine and completed his Internal Medicine residency at New York Hospital in Queens, NY, and his fellowship training at Albert Einstein College of Medicine in Bronx, NY.

The Pfizer, Moderna vaccines will be available at each clinic (the Johnson & Johnson vaccine is currently unavailable). All students, faculty and staff who do not have a medical or religious exemption, should become fully vaccinated by October 8, prior to leaving for fall break. You are considered fully vaccinated two weeks after the second dose in a 2-dose series, such as the Pfizer or Moderna vaccines, or two weeks after a single-dose vaccine, such as Johnson & Johnson's Janssen vaccine.

As a reminder, all COVID-19 related communications are posted to [MyEC](#), which we use as a central location for campus communications.
