OFFICE OF THE PRESIDENT

May 4, 2023

Dear Campus Community,

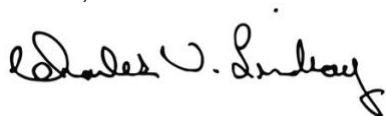

Thank you to those who participated in our 2023-2028 Strategic Plan survey and nine on-campus focus groups. Your feedback has been invaluable as the Long Range Planning Committee works to develop the College's 2023-2028 Strategic Plan.

At this time, the Committee would like to share an initial draft of the 2023-2028 Strategic Plan Goals and give the EC community a chance to provide additional feedback. You can access that [draft on the homepage of MyEC](#).

**Feedback on this initial draft can be submitted through Friday, May 12, using our new [Virtual Suggestion Box](#).** Keep in mind that EC faculty, staff, and administrators will develop specific objectives, tactics, and methods of assessment through their annual Implementation & Assessment Plans.

The Virtual Suggestion Box is a direct result of feedback we heard during the focus group process. A link to the Virtual Suggestion Box will live on the homepage of MyEC, and students and employees are encouraged to use it to share a question, concern or idea. Responses are anonymous unless you choose to provide your contact information.

Yours,

Charles W. Lindsay, PhD  
President
