

ELMIRA COLLEGE

OFFICE OF CAMPUS SAFETY

January 25, 2024

Elmira College Community,

This morning at approximately 10:46 am, Campus Safety sent a test alert to our emergency alert system. You should have received an email to your Elmira College email account and a text message to the cellular phone number on your Elmira College account.

If you did not receive the test text message, [log into the alert system](#) and confirm that your information is correct. The log-in information for registration is your Elmira College email address and secure password. If your information is correct but you did not receive the test text alert or email message, contact the IT HelpDesk at <https://help.elmira.edu/>.
