

ELMIRA COLLEGE

OFFICE OF RESIDENCE LIFE

October 17, 2020

Dear Students,

We did want to send a brief clarification on the message sent from President Lindsay yesterday evening. The nursing students referenced are ones that have been working with Dr. Volino and the nursing faculty to facilitate their return to campus to complete their clinical rotations. All students involved have been in communication with Dr. Volino and will receive additional information from the Office of Residence Life. No one else should be returning to campus at this time.

Thank you and let us know if you have any questions.

Sincerely,
Karl
