OFFICE OF RESIDENCE LIFE

November 11, 2020

Dear Students,

First, I did want to reach out to say thank you for your continued patience during this challenging time. Our commitment to the continued health and safety of our community remains our biggest priority. With Term I nearing an end, we are going to move forward with plans for setting up times for students to come and gather belongings from their Residence Hall rooms, **Monday, November 30, 2020- Thursday, December 4, 2020**, from 10 am-4 pm.

We will be setting up one-hour appointment slots per building to ensure that we are minimizing contact between people. While in the Residence Halls, all COVID-19 guidelines apply, including mask-wearing and social distancing. We cannot allow anyone but the student into the residence hall and any guests will need to remain outside. Additional instructions will be relayed to those students who indicate that they would like to return to gather items.

Please fill out the form below to indicate that you would like to come to gather items. We will be in touch with the next steps, including time slots and instructions.

Please complete this form by Monday, November 16, 2020.
