

ELMIRA COLLEGE

OFFICE OF THE PRESIDENT

October 16, 2020

Dear EC community,

We continue to work with the Chemung County Health Department to approve our plan to bring students and employees back to campus and resume in-person classes.

Due to academic requirements, nursing students are approved to return to campus starting on Monday, October 19. Resident Assistants are also approved to return at that time. These students will receive an email from the Office of Residence Life with details for required on-campus testing and residence hall check-in.

Other than the approved nursing students and Resident Assistants, no other students shall return to campus at this time. Students who violate this directive are subject to the COVID-19 Sanctions posted on [MyEC](#).

Sincerely,

A handwritten signature in black ink, appearing to read "Chuck Lindsay".

Chuck Lindsay, PhD
President
