

ELMIRA COLLEGE

Student/Parent Virtual Event

January 28, 2021 | 6:00 p.m.

Given the potential for a large number of participants, we will be hosting this event on the College's Conduit platform.

Student Registration Information

Students will need to create an account prior to the event by following the below link and completing the registration form. The night of the virtual event, log into your account and launch the virtual event.

Create an account:

Parents, event information also is posted to our parent portal, Eagle's Nest (<https://elmira.campusesp.com/signin>). This parent engagement portal is designed for prospective and current parents/families and features a newsfeed, campus calendar for events and important deadlines, and communities for areas like residence life, athletics, and financial aid. The portal also can be used for online registration for Admissions and other events and provides users the ability to sign up for push notifications for announcements and a newsletter, sent on a frequency the user selects. If you have not yet signed up for an account, create your account today:
