

# ELMIRA COLLEGE

OFFICE OF RESIDENCE LIFE

September 28, 2020

Dear Students,

Marge Kappanadze, Director of the Gannett-Tripp Library, asked me to convey the following information about Library services.

The Library is currently closed. However, staff is working in the building, and will welcome requests for print books, interlibrary loans, and research help. Please use Library Search to access the Library's vast collections of electronic resources that can be accessed from both on- or off-campus.

If you need print books or have an interlibrary loan pickup, call (607) 735-1862 during business hours, and library staff will make arrangements to have you pick up your items without entering the building.

For research help, call (607) 735-1862 or email [researchhelp@elmira.edu](mailto:researchhelp@elmira.edu). Staff members can work with you remotely to address your research needs.

Sincerely,  
Liz

Dr. Elizabeth Lambert  
Vice President of Enrollment Management and Student Life
