

# ELMIRA COLLEGE

OFFICE OF CAMPUS LIFE

September 9, 2024

Hello EC Students,

As you may be aware, the Federal government has issued a new Title IX Policy. **As an EC student, you are required to take Title IX training each year.** For that reason, we are sending you this video of the new Title IX policy. It is required that all students **watch this training video before October 1, 2024.** The video is less than eight minutes.

***If you have attended any in-person sessions with the Title IX Coordinator, you are not required to watch this video.***

At the end of the year, Elmira College is obligated to report the number of students who watched the video and received information regarding the new Title IX policy. Therefore, at the end of the video, you will be prompted to take a short survey. Please complete this survey. The survey is the official verification of you taking the training, so make sure you complete that portion.

Please see the video below.

**[2024 Title IX Training](#)**

For a more detailed breakdown of the new 2024 Title Policy, you can go to <https://www.elmira.edu/files/assets/newtitleixpolicy.pdf>

If you have any questions or concerns, or need an alternate way in reporting that you completed the training video, please email the Title IX Coordinator at [titleix@elmira.edu](mailto:titleix@elmira.edu).

Thank you,
