OFFICE OF CAMPUS LIFE

April 20, 2021

Good morning, Students,

I hope you are enjoying your break! This is just a reminder that if you are currently planning to learn remotely for Term III, tomorrow, Wednesday, April 21, 2021, is the final deadline for submitting your request. NO REQUESTS will be accepted after this date.

Please note that it is the expectation that most students will return for in-person learning for Term III. Only international students and those who can provide a written recommendation from a medical professional will be approved for remote learning for Term III. There are other critical family and unique situations where approval may be possible; those are being decided on a case-by-case basis. There is a process to apply for remote learning. Approvals are not automatic or guaranteed.

If you feel that you have a situation that requires you to learn remotely for Term III, please reply to this email. The final list of students approved for Term III remote learning will be shared with faculty on Thursday, April 22, 2021, and they are aware that only students on the list are permitted to attend remotely. If you are not on the list of approved remote students, and are also not an approved commuter student, you will be billed for room and/or board for Term III.

Best wishes for a safe and healthy break week!

Liz
