

ELMIRA COLLEGE

OFFICE OF RESIDENCE LIFE

October 3, 2020

Dear Students,

I'm sorry to let you know that not all test results are back yet; there are still some pending due to the volume of tests being processed.

The self-quarantine and meal delivery is extended until Monday morning. At the time, we should be able to return to the pre-quarantine guidelines. Please refer to my prior emails; all details still apply.

I know this isn't easy for anyone, but please understand that we are taking these precautions for your own health and safety. Elmira College is also following the directives of the Chemung County Health Department.

I thank you for your cooperation, patience, and understanding as we move through this unprecedented time. I will let you know when the self-quarantine is lifted. Remember, this is only temporary.

Stay well and please make wise choices,

Sincerely,

Liz
