

ELMIRA COLLEGE

OFFICE OF RESIDENCE LIFE

October 4, 2020

Good evening, Students,

We believe that all test results have now been communicated. I am lifting the self-quarantine for tomorrow (Monday, 10/5) morning. However, **if you are a student who is isolating or quarantining, you MUST continue to do so and follow the guidelines we gave to you.**

Tomorrow morning, we are returning to take-out food only from the Dining Hall, and the 1855 Room and MacKenzie's will reopen for take-out as well.

On-line classes continue, the GTL remains closed, and counseling, career services, and tutoring are all available in a virtual format. All COVID-19 Guidelines will still be strictly enforced (specifically, no campus guests in ANY buildings and no entering a residence hall that isn't your own). Please continue to wear your face coverings whenever you leave your residence hall room, and continue to sanitize and wash your hands often.

Please let me know if you have any questions. Again, thank you for your patience as we continue to move through this challenging time. I sincerely appreciate those of you who are following the rules so that we can return to in-person classes once again.

Be Well,

Liz
