OFFICE OF CAMPUS LIFE

September 29, 2021

Good morning, Students,

Attached to this email are two very important documents that you should read through carefully. The first is an updated copy of the [COVID-19 Student Guidelines](#) and the second is an updated copy of the [COVID-19 Sanction Guide](#).

I was very much hoping that we would not have to publish and distribute this Sanction Guide again this year, but the behaviors and actions of some students this term require me to do so for safety purposes. In the guidelines, I want to specifically point out that there is now a limit to the number of student guests you may invite into your residence hall (two guests for each resident).

We are still very much in the middle of a pandemic, and the number of positive COVID-19 cases locally continues to rise. We cannot put the health and safety of our campus at risk with large unmasked gatherings or off-campus guests in the residence halls.

I very much appreciate your compliance with the updated COVID-19 Student Guidelines. As conditions change, we may be able to adjust both the guidelines and the sanctions, but for now, we will enforce both. Your continued good health is my top priority. If you have any questions, please let me know.

My best to each of you,  
Liz
