

# ELMIRA COLLEGE

OFFICE OF CAMPUS SAFETY

February 6, 2026

Dear Students, Staff, and Faculty,

To allow the Elmira City Department of Public Works (DPW) to safely and effectively clear snow from **Davis Street** between **7th Street and Washington Avenue**, this section will be posted as a **temporary no-parking area** on **Monday, February 10, 2026**, from **7:00 AM to 3:00 PM**.

Please remove any vehicles from this area during those hours. **Vehicles left parked in the restricted zone will be towed at the owner's expense, and owners will need to pay fees to retrieve them from the Elmira City Impound.**

We recommend using the parking lots located behind Meier Hall and the Gannett-Tripp Library (GTL) on W. Fifth Street as convenient alternatives that day. These lots are close to campus buildings and should accommodate most needs while the cleanup is underway. For a full view of parking options, please check the campus map at: [map.elmira.edu](http://map.elmira.edu)

Thank you for your cooperation in helping keep the campus safe and accessible. If you have any questions or need help finding parking, feel free to reach out to Campus Safety at (607) 735-1777 or [security@elmira.edu](mailto:security@elmira.edu).

Respectfully,

James M. Hamilton CSM, EMT-B  
Director of Campus Safety
